

April 2008

We started our new drama group last year and already have staged a number of comedy plays and murder mysteries at Freckleton Memorial hall, which have proved very popular with the local people in the area.

Our aim as a Society is to promote the arts in the local area and provide opportunities for anyone who wishes to join us to further their own individual interests. We also nominate a charity each year to make a donation from some of the proceeds we get from producing the shows.

We are now looking for sponsorship from local businesses that might be willing to support us in our activities. We are currently trying to raise money for example, for some radio microphones that will improve the sound for all the audience in the Hall. Some of our productions involve the cast wandering around the audience, which will benefit from radio mics. Our latest play in May involves some singing, so radio mics will be a big boon to help the cast sing over the backing tracks. We are very limited on what we can do for scenery and props at the moment, so that is another area that we need funds for.

If you can help in anyway it will be greatly appreciated, and we will of course include an advert for your business in our program and links from our website [www.quins.info](http://www.quins.info). I attach a leaflet, for distribution amongst your staff for our next production Girls Night! We have already taken a number of bookings for the show, which we hope will prove to be another successful production for us.

I can be contacted during the day on 01253 475299, or evenings and weekends on 01772 880203 if you would like to discuss a sponsorship plan or if you would like to know more about our group.

Best regards

Chris Shelstone  
Vice-Chairman, Harlequins
