

Freckleton Charitable Trust Limited

The trust invites applications for financial assistance from people and organisations working for the benefit of Freckleton residents.

The Trust receives income on it's investments and aims to distribute this via grants for the benefit of the people of Freckleton, especially where this can promote community spirit.

Preference will be given to applications which benefit-

1. Youth (group or individual)
2. Village Hall
3. Other village organisations

Individual/ group applications should demonstrate the need for support and show how any grant money would be used. Applicants should also be prepared to show documentary evidence that spending was consistent with the purposes declared.

The intention is for our grants to support one off rather than recurring expenditure.

Applications to arrive not later than **15th September 2023** can be made in writing and addressed to-
