

Freckleton Lodge

About Us

We are committed to providing the highest level of care to individuals over the age of 65 and to individuals living with Dementia.

We are a family owned home with values and knowledge gathered over decades of providing care at an exemplary level.

We feel very passionately about the care we deliver and pride ourselves on ensuring that we are always up to date with all care practice.

- Janie Hayes

We're New in town!

.....and we'd love to meet you

After taking over the service in late June, we thought it best to give it a make over. After a few months of hard work, tears and laughter were ready to start providing care. We are happy with how the home has turned out and would love the opportunity to meet our neighbours for a slice of cake and a coffee.

You can find us at:
