Caravan Watch Stickers

- Unique reference numbered caravan stickers are now available from Lancashire Constabulary free of charge.
- One sticker is to be placed on the rear of the caravan near the top right corner and one on the windscreen of the towing vehicle.
- To request a sticker for your caravan telephone **01772 416175** stating the colour of the vehicle towing the caravan.
- The idea of the scheme is to display a sticker which can be seen and is the same colour as the towing vehicle.
